It is to inform that the Government of India vide reference 1<sup>st</sup> cited have issued orders, the Telangana Public Employment (Organization of Local Cadres and Regulation of Direct Recruitment) order 2018 (P.O 2018) and the same was republished in the Telangana Gazette vide reference 2<sup>nd</sup> cited. As per the Presidential Order 2018, the new local cadres are formulated as Two Multi Zones, Seven Zones and 33 Districts.

A meeting was conducted by the Chief Secretary to the Government regarding implementation of Presidential Order 2018, where in it was directed to submit the new service rules, wherever required, as per new Presidential Order.

Accordingly, new service rules for TSESS have been submitted to the Government. In the draft rules submitted to the Government regarding the appointing authority in respect of zonal and district cadre posts ie., ATO., JTO., & TA., "the Superintending Engineer is designated as appointing authority for ATO., JTO., & TA for each zone. In this regard, it is proposed to designate the following Superintending Engineers as appointing authorities for each zone.

Multi Zone	Zone	Districts	Seniority Maintenance by the Superintending Engineer.
Multi Zone – I	Zone - I Kaleshwaram	Asifabad – Komarambheem, Manchiral , Peddapalli, Jayashankar – Bhupalapalli, Mulugu Districts.	SE/ Dr.B.R.A.P.P.Circle/ Bellampally

	Zone VII - Jogulamba	Vlkarabad, Mahabubnagar, Jogulamba – Gadwal, Wanaparhi, Narayanpet, Nagarkurnool Districts.	SE, IC Mahabubnagar.

Further, it is informed that a meeting was conducted with the office bearers of Telangana Irrigation Non-Gazetted Officers Association in the Chambers of the undersigned and discussed the issue of maintaining zone wise seniority of all the offices of the department at one place. In this regard, it has been discussed that maintaining the Circle-wise / Unit office seniority separately causing an even promotions among the same cadre in the same place. For example, staff working at LMD Colony, Karimnagar are under 6 to 7 seniorities and promotion chances in each unit is different. It is not out of context to mention that proposed new zones comprise the staff of different circles and seniorities will have to be redone. Maintaining the roster points for each unit is creating a problem in recruitment also. It is also posing challenges whenever a unit of a project is shifted or created.
