Government of Telangana

No.106/MCC/2019, Dated 25.04.2019

Many departments are approaching screening committee for calling for tenders and entering into agreements etc., for various ongoing works in their departments. This issue had been considered in the meeting of the screening committee held on today ie., 25.04.2019.

2. Although, the Model Code of Conduct (MCC) will continue to operate till counting is over, it has been felt that since polling for elections to Lok Sabha is over and there is no way that any political party or candidate will be affected by such administrative actions. Various provisions are also there in the Frequent Asked Questions (Q.No.51) allowing ongoing works to be taken up of the seasonal nature.

3. Keeping all these factors into consideration, the committee feels that, at this stage no impression can be given or created that these routine administrative action has been done with a view of influencing the electorate in favour of any political party or candidate.

4. It is therefore, recommended that the concerned departments may go ahead with the calling for tenders and finalizing the works of the above nature.
