Sub: Empanelment of Engineering Officers in the panel of Arbitrators maintained by CWC.

Ref: CWC Letter No. 22/1/2015-EA/280-316, dated 30.10.2015

Sir,

Kind reference is invited to this office letter under reference on the subject requesting to send the names of eligible and willing candidates/officers to act as third Arbitrator on behalf of Central Water Commission (CWC) along with detailed bio-data in prescribed format and all supporting documents required as per revised guideline (effective from 01.03.2005).

In this regard, it is further stated that CWC maintains a list of empanelled arbitrators to be nominated on behalf of CWC to resolve the dispute arise between the State Govt. and Contractor as per clause in General Condition of Contract during the execution of project related to water resources development. Due to continuous deletion of names on account of age bar, very few arbitrators are left in the list. Therefore, there is an urgent need to expand the list by adding fresh names in the panel of arbitrators. The copies of revised guidelines & prescribed application form are enclosed herewith and the copies of the same are also available at CWC websites: www.cwc.gov.in under circulars.

In view of above, it is again requested to kindly send the names of eligible and willing candidates alongwith detailed Bio-data in prescribed format and other supporting documents at the earliest but not later than 30th June 2016.

Encl: As above

Yours faithfully,
