Anent to the reference cited, it is observed that many officers from circle and subdivisions are coming to the Head office to furnish and update the information in the e-Governance office. It is causing problem in obtaining and updating the information in the website.

In this connection, all the Chief Engineers are requested to send the Nodal Officer i.e., Deputy Chief Engineer who has to consolidate the information of all the Projects of the Chief Engineer's jurisdiction and to furnish the same.

For medium projects the nodal officer i.e. Deputy Superintending Engineer of the respective Project/Circle has to consolidate the information and furnish.

The information has to be regularly updated by 6th of every month.

Yours faithfully,
J. Vijaya Prakash,
Engineer-in-Chief(Admin),
Irrigation & CAD Department.
