Letter No.RC/ENC(AW)/ADA/AEE1

Dt:08-12-2016

Sir,

Sub:- Registration of Contractors – Software developed by C.G.G – Online processing of Registration applications-Flow chart /hierarchy of officials involved in processing and approval of Registration – Information requested – Reg.

While issuing G.O.Ms.No.94 Irrigation and CAD (PW –COD) Department, Dt:01-07-2003, the Cabinet Sub Committee had examined the various issues relating to Registration of Contractors , streamlining & simplification of procedure in all the departments in order to achieve better results and made recommendations to the Government for online of Contractors Registrations. Based on the Sub-Committee recommendations, the Government have ordered the Department to develop a website.

The Centre for Good Governance was entrusted the ,job of developing the website for online Registration of Contractors i.e. hosting, maintenance and technical assistance. In this regard the infrastructure for hosting the website application requires certain data from the Departments involved in the registration of contractors.

Therefore the Chief Engineers of I & CAD Department, who are involved in the Registration of Contractors for Class-I, in the category of “Civil” are requested to submit the Flow chart /hierarchy of officials involved in processing and issue of Registrations immediately to this office to enable to furnish the same to the CGG.
