

**Office of the Engineer-in-Chief(AW),
Jalasoudha, Errummanzil, Hyderabad – 500082**

Circular Memo No. ENC(AW)/eGW/2014-4 Dt.01-02-2014

Sub:- Expression of willing to get trained in Designs and teaching to work on design and teaching assignments – Online applications called for –Reg

Irrigation & CAD department, being the largest infrastructure department in the AP, deals with number of Irrigation Projects of different categories and sizes. In the process of execution of Irrigation Infrastructure, department requires to design various Cross Masonry and Cross Drainage structures in addition to other designs like Linings etc. In the process to establish healthy pool of Design Engineers so as to minimize the time taken in getting a structure designed and make available for execution. With this intension, the applications are sought from the AEEs/DEEs.

Similarly, there is huge requirement to build the capacities of the Engineers of the department on various platforms like hydrology, designs, DPR preparation, tendering, IT, O&M etc. In this connection, to establish pool of trainers for capacity building of the staff in all areas of irrigation, willingness is called for from Engineers, preferably Post Graduates who have zeal in teaching and good communication skills

In view of the above, service to exercise options has been enabled in the Irrigation HRMS website in the employee login role. All the Engineers can login to the system and exercise their option. The last date for exercising the option is 15-02-2014. The candidates will be selected based on the written test and interview.
