The attention of all the Superintending Engineer's/Unit Officers is invited to this office memos cited wherein it was requested to furnish the particulars in the prescribed proforma regarding Special pays, pay and allowances attached to different categories of posts in the existing scale of pay, as desired by the 10<sup>th</sup> Pay Revision Commission.

It is observed that the required particulars are still awaited from most of the units. Also some of the units furnished partial information in this matter (without furnishing the particulars regarding no. of retirements, A.A.Scheme in each cadre, etc.,)

Hence, the Superintending Engineer's/Unit Officers, those who have not furnished the information so far and those who have furnished the partial particulars, are once again requested, to look into the matter personally and arrange to furnish the required information in full shape to this office within (3) days without fail, as the consolidated report to be submitted to Pay Revision Commission is held up for want of particulars.

This may be treated as MOST URGENT.
