**Sir,**

Sub:- Endowment Lecture at Institution of Engineers (India) in the honor of Er.R.L.Raju, FIE, CE(Retd) on 10-10-2017 at 17.30 Hours on the importance of Earth Dams and presentation of the Software Program for the design of earth dam and power of using Macros for Automation of Engineering Applications - Request to inform all the Engineers working in I&CAD Department - Reg.

Ref:- Sri S.Sunil, CE, NSP & AMRSLBC Project, Hyderabad, Lr.No.Nil, Dt.09-10-2017.

\*\*\* \*\*

The Institution of Engineers (India), Hyderabad, Chapter is conducting a 3<sup>rd</sup> endowment lecture hosted in the honor of Er.R.L.Raju, FIE, CE(Retd) on Tuesday, 10<sup>th</sup> October 2017 at 17.30Hrs. The lecture will be delivered by Er.S.Sunil, Chief Engineer, NSP & AMRSLBC Project, on the following topics apart from the Nagarjuna Sagar Project, a modern temple history; its immense contribution to the economic growth of both the states.

1. Presentation of the Design of Earth Dam on the .net platform by integration of the MS Excel & Auto CAD.
2. Presentation of Generation of drawings of Irrigation Structures in the Auto CAD on the .net platform.
3. The power of MS excel macros in the automation of estimates.

The topics are very much useful for the Engineers who are inclined to know and horn their skills will certainly be a platform to develop various automations in the day to day engineering tasks and to take advantage of the present available software tools.

In this regard, all the Engineers-in-Chief, Chief Engineers and Superintending Engineers, are requested to inform all the Engineers working under their unit to attend the programme who are interested in developing software tools for application of day to day Engineering use for the department.

Yours faithfully,  
B.Nagendra Rao  
Engineer-in-Chief (AW)
