Ref: 1. From the Director General, Prisons and Correctional Services, Telangana, Hyderabad, Lr.No.RC3/81/2015, dt: 12.03.2015

***

The Director General of Prisons and Correctional Services, Telangana State, Hyderabad in the references cited has informed the Government that, as a strategy to keep the Prisoners engaged and make socially useful, Prison Department wants to engage the selected Prisoners who are not hardcore and habitual criminals but them who prove their good conduct in the Jail, for Painting/Minor Repair Works in the Government Office Buildings in Telangana State. If the Departments will provide raw material and pay the wages to the prisoners on mutual understanding it will be helpful to the Prisoners to send some amount to their family members which will bring good name to the Government. If the above said works are taken up by engaging the convicted prisoners it will be cheaper and economical when compared with outside labour. Both the Departments i.e., User Department and Prisons Department will be benefited and save lot of money to State exchequer and it will also be a novel programme which has not been experimented in India.

2. The Director General of Prisons & Correction Services, Telangana State, has therefore requested the Government to permit the Prisons Department to take up works of Public utility to make the prisoners feel proud that will enable them to join the mainstream post release.

3. Government after careful examination of the matter have decided and accordingly permit the Director General of Prisons & Correctional Services, Telangana State to utilise the services of selected skilled Prisoners who are having good conduct in the Jail, for Painting/Minor Repair Works in the Government works in Telangana State on payment of wages. All the Departments who are executing such works are therefore requested to instruct the respective Engineers-in-Chief/Chief Engineers of Engineering Departments in the State Government, to encourage the Contractors who under takes the works in their respective Department, to utilise the services of the skilled Prisoners where ever feasible in the works like Plumbing, Gardening, Carpentry, Cleaning, Painting and White Washing e.t.c., on mutually agreeable terms and precautions.

4. The list of skilled/semiskilled/unskilled Prisoners Jail wise/Local wise is enclosed herewith.

5. The Director General of Prisons and Correctional Services, Telangana, Hyderabad shall take necessary further action in the matter.
