

Office of the Engineer-in-Chief (Admn.Wing)  
I&CAD Department, Hyderabad

From  
Sri B.Nagendra Rao, M.Tech.,  
Engineer-in-Chief (AW),  
Irrigation & CAD Dept., Jalasoudha Building,  
Errummanzil, HYDERABAD-82.

To  
All the Engineer-in-Chief's/Chief Engineer's  
Irrigation & CAD Department,  
Government of Telangana.

LetterNo.ENC(AW)/EE(A)/DEE(eGov)/AEE4/LA/1 dated: 03.01.2018

Sir,

Sub: Irrigation & CAD Department – Land Acquisition- Effective implementation of Land Acquisition Module in Project Monitoring System(PMS)-integration with Bill Monitoring System (BMS) of Finance Department - Requested –Reg.

Ref: Arising

\*\*\*

It is to inform that the Government of Telangana wants to improve transparency and efficiency in Land Acquisition/ procurement to all Irrigation projects in the state by using online Land Acquisition module. In turn the departmental e-Governance Team has developed a web-site for Land Acquisition/ procurement to all Irrigation projects in the state and deployed on the web site with URL: <http://irrigationpms.cgg.gov.in>.

Further for effective implementation of Land Acquisition module in PMS, it has been integrated with Bill Monitoring System (BMS) of Finance Department. The integration of PMS will result the following benefits.

- i) Ensures correctness of the physical LA requisition sent and Acquired/procured, and also reduces data entry mistakes in bill form as the bill will be generated based on the LA progress recorded in the PMS.
- ii) Makes available correct details of payments (expenditure) made so far in real time.
- iii) Enforces regular data updation at regular intervals.

At present the Special Collectors in Telangana State have been entering the already acquired Land details in the web-site. Till to date, they entered an extent of 220,043 Acres and 37Guntas. From our department, only Palamuru Rangareddy Projects authorities have entered LA requisition proposals to an extent of 14536 Acres and 33Guntas only.

In order to reflect the Land Acquisition status, the concerned project authorities may send their LA Requisition proposals to LA authorities for LA procurement through online only and Payment for LA service is available in PMS. The LA bills pertaining to Irrigation Projects will be made through PMS only Instead of BMS.

Hence all the ENC/CEs are requested to direct the concerned SEs/EEs, to furnish the LA Proposals/bills pertaining to Irrigation Projects through PMS only Instead of BMS for all the projects (online) in their jurisdiction.

This may be treated as most urgent, since it reflects on the performance of the department as it is in public domain.

Yours faithfully,  
Sd/- B. Nagendra Rao dt: 03-01-2018
