Lr.No.ENC(I)/PPMU/EE/DEE/AEE/ Website Monitoring Dt: 05.07.2018

Sir,

Sub: Periodical Monitoring / Updation of Irrigation Website by All Project Authorities-Regarding

Ref: Arising

-:o0o:-

This is to inform that a web-site has been developed by e-governance wing and deployed on the CGG Server with URL: <http://irrigation.telangana.gov.in>.

At the time of creation of the web-site, Project related information pertaining to the Major/Medium Irrigation Projects (completed/ongoing/contemplated), as given by project authorities was published on the web-site.

In order to reflect the latest status, the data pertaining to the projects has to be updated regularly every month online by the concerned project authorities from their logins (services required for update of the project information are available on the web-site).

In the light of the above, all the Chief Engineers are requested to

1. Entrust the responsibility of updating / publishing the latest project progress in the website to a responsible officer and intimate the same to this office.
2. Periodically (atleast once in a month) browse the **Projects** section in the website and ensure that
 - All the necessary project related information is published on the website
 - Information published reflects current status of the project and is void of discrepancies.
 - Necessary modifications / corrections are made to reflect the current status of all the projects, wherever required, for all the projects under their jurisdiction
3. Intimate the above information through soft copy (email: egov.icadts@gmail.com) and duly signed hard copy to this office for office record.
4. Seek support of PPMU / E-Governance wing for necessary updates in the website, if capable resource personnel for online updates are not available.

The latest updates till end of June 2018 may be loaded by 15/7/2018 positively

Yours faithfully,

Sd/- C.Muralidhar, Dt:05.07.2018
Engineer-in-Chief(I),
