iii. For subsequent years after Common SSR 2018-19: To accord approval for arriving and adopting the centering & scaffolding charges for the respective items based on the observed data with which the present rates are arrived, based on SSRs and Cement & Steel rates of May, month of respective year.

iv. To accord approval for allowing an extra 25% allowance on basic labour component of rates of all the items involved in storm water drain works (Nalas) in GHMC on account of adverse working conditions in storm water drain works (Nalas) due to continuous sewage flow through them apart from 40% municipal area allowance and 25% night time allowance being permitted in all SSRs for all the works taken up within GHMC limits.

PTO.
iv. To refer the suggestions / proposals of GHMC made at (b), (c) &
(d) to Board of Chief Engineers for its examination and
recommendations in the matter.

2. Government after careful examination of the matter hereby approve the
following issues:

(i) Rate for centering scaffolding charges including labour charges for
erection and dismantling of shuttering & Scaffolding for CC/RCC side
walls of Culverts/storm water drains worked out to (189.55 +
90.75) Rs 280.30/Sqm, duly considering the complex & critical
nature of working site conditions in Municipal limits. The
applicability of recommended data rate limited to its specific work
and purpose only and not in their normal /routine nature of works.

(ii) For adopting the hire charges of centering & scaffolding of
roof slabs (ground floor) under Building SoR 2018-19 towards the
hire charges of centering & scaffolding of slabs of Culverts in
Municipal limits against specified thicknesses as mentioned in
Building SoR.

3. Further the Commissioner, GHMC, Hyderabad is directed to submit
relevant agenda notes for its detailed discussion and necessary
recommendations in the ensuing BOCES meeting, in respect of other issues.

4. The Commissioner, GHMC, Hyderabad shall take necessary action
accordingly.
