IRRIGATION & CAD Department

Circular Ir No.ENC/IW/P&M/EE/DEE.2/AEE.5/MoRTH data/2019  Dt: 23.06.2019

Sir,

Sub:- Irrigation & CAD Dept – Adoption of MoRTH Data in Irrigation works wherever required for Roads/CC Pavements etc.,— Dispensing of Insurance for MoRTH data item works as per GO Ms No 5 Finance (W&P – F7) Dept dated 05.03.2014 – Deduction of 0.385% from Overheads & CP of MoRTH Data towards Insurance component as per GO Ms No 5 Finance (W&P – F7) Dept dated 05.03.2014 and GO Ms No 71 I&CAD Dept dated 31.07.2018 – Guidelines - Communicated - Regarding.

Ref: 1. GO Ms No 5 Finance (W&P – F7) Dept dated 05.03.2014
3. GO Ms No 71 I&CAD Dept dated 31.07.2018

***

As a policy of the Government in GO Ms No 5 Finance (W&P – F7) Dept dated 05.03.2014 the Government have issued orders dispensing with insurance cover to all works of all Engineering Departments with immediate effect i.e., for all the new works which are to be awarded and for all ongoing works.

Further, it was directed in the above GO that “If any Department opines that insurance cover is indispensable for a particular work, special permission can be obtained by submitting proposals to the Government.”

As per the recommendations of Board of Chief Engineers(BOCEs) dated 14.11.2014, the Government vide GO Ms No 15 TR&B dept dated 24.12.2014 have accepted for adoption of MoRTH data for Road & Bridge works by entire Engineering Departments.
Further, as per the recommendations of BOCEs dated 25.05.2015 and 28.02.2018, the Government vide GO Ms No 71, I&CAD(Reforms) Dept dated 31.07.2018 have permitted deduction of 0.385% towards insurance component from the provision of 14% towards Overheads and Contractors profit for adoption in Standard Data for the works in all Engineering Departments and ratified the action taken in adopting the Overheads and Contractors profit of 13.615% excluding insurance component in the Standard data from the year 2015-16 onwards.

MoRTH data is being adopted in Irrigation works for Roads/CC Pavements/Bridge items etc., wherever required.

The Overheads and Contractors profit of MoRTH data includes insurance component along with other various components.

It is brought to the notice of undersigned that, in certain estimates of Irrigation works wherever MoRTH data is being adopted for Road/Bridge items, the relevant Overheads and Contractors profit (15% / 25%) is directly being considered without deducting insurance component. For Irrigation works items 13.615% is being considered which is exclusive of insurance component.

In this regard, all the ENCs/CEs of Irrigation & CAD Department are requested to direct the concerned officials under their control to deduct 0.385% from relevant Overheads and Contractors profit of MoRTH Data wherever adopted in estimates of Irrigation works for the Roads/CC Pavements/Bridge items etc., and to follow the instructions of the Government under GO Ms No 5 Finance (W&P – F7) Dept dated 05.03.2014 scrupulously.

Encl: Copies of GOs 1st to 3rd cited

Yours faithfully,
Sd/- C. Muralidhar; Dt 23.06.2019
Engineer-in-Chief (Irrigation)

ABSTRACT

Works- Insurance clause in the agreements-Dispensing with insurance cover in all works of all Engineering Departments - Uniformity in all the Departments- Orders –Issued.

FINANCE (WORKS & PROJECTS-F7) DEPARTMENT

G.O.Ms.No. 5 Dated. 05-3-2014.

Read the following:

3) Minutes of the review meeting convened by the Chief Secretary on 22-10-2013.

****

ORDER:

In the G.O. 1st read above, the I & CAD Department, issued orders dispensing with insuring all works of I & CAD Department including weirs, dams, spillways and critical components like high level bridges, tunnels and deep cuts etc.

2. In the reference 2nd read above, the Director of Works Accounts, Hyderabad, requested to consider extending similar orders of dispensing with insurance in respect of all other Engineering Departments.

3. In the review meeting convened by the Chief Secretary on 22-10-2013, the issue of dispensing with insurance cover of all works of Engineering Departments was deliberated. It was decided to bring uniformity among all Engineering Departments.

4. Government, after careful examination, hereby issue orders dispensing with insurance cover of all works of Engineering Departments.

5. These orders shall apply with immediate effect to all the works which are going to be awarded from now onwards and to all the ongoing works for which insurance cover has to be renewed. In other words, for all ongoing works, insurance coverage need not be extended, if expired.

6. If any Department opines that insurance cover is indispensable for a particular work, special permission can be obtained by submitting the proposals to the Government.

7. All the Special Chief Secretaries/Principal Secretaries/Secretaries of all Engineering Departments are requested to ensure strict implementation of the above instructions.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

ABSTRACT

Irrigation & CAD Department – Deduction of 0.385% towards insurance component from the provision of 14% towards contractor’s profit and overheads for adoption in Standard Data in all Engineering Departments – Orders – Issued.

IRRIGATION AND CAD (REFORMS) DEPARTMENT

G.O.Ms.No. 71 Dated: 31-07-2018

Read the following:

2. G.O.Ms.No.61, I&CAD (PW: Reforms) Department, Dt. 25.06.2013.

***

ORDER:-

In the references 1st read above, orders were issued for adoption of revision and updating of A.P. Standard Data in all Engineering and Public Works Department and other organizations wherein a provision of 14% is added in the data towards Contractor’s Profit and Overheads. The overheads include site accommodation, water supply, electricity and general site arrangements, Laboratory Equipment, Mobilization/De-mobilization of resources and work Insurance/Compensation etc.,. But the percentage breakup for each component of overheads is not mentioned in the A.P. Revised standard Data.

2. Subsequently, the Government in the reference 2nd read above, have issued orders to dispense with insuring all works of I&CAD Department including weirs, dams, spill ways and critical components like high level bridges, tunnels and deep cuts etc. It is further instructed that if any critical work like dam or high bridge etc., is to be insured, proposal is to be sent by concerned Chief Engineer to the Government and the Government will take a case by case decision whether to insure or not to insure the work.

3. In the reference 3rd read above, Government have further issued orders dispensing with insurance cover of all works of Engineering Departments uniformly.

4. In the reference 4th read above, based on the recommendations of the Board of Chief Engineers minutes Dt: 25-05-2015 and 28-02-2018, the Engineer-in-Chief (IW) and the Chairman of the BOCE has requested the Govt., for deduction of 0.385% towards insurance component from the provision of 14% towards contractors profit and overheads for adoption in Standard Data for the works in all Engineering Departments, duly ratifying the action taken in adopting the overheads and contractors profit of 13.615% excluding insurance component in the Standard Data for the year 2015-16 onwards.

5. Government after careful examination of the above proposal, hereby permit the Engineer-in-Chief (IW) for deduction of 0.385% towards insurance component from the provision of 14% towards contractors profit and overheads for adoption in Standard Data for the works in all Engineering Departments as per the recommendations of the BOCEs, and ratify the action taken in adopting the overheads and contractors profit of 13.615% excluding insurance component in the Standard Data for the year 2015-16 onwards.

6. The Engineer-in-Chief (IW), Hyderabad shall take necessary action accordingly while preparing the Telangana State Revised Standard Data.

SECTION OFFICER
GOVERNMENT OF TELANGANA

ABSTRACT

R & B Department – Adoption of MoRTH data by all Engineering Departments of Telangana State in respect of Road and Bridge works, with prevailing Standard Schedule of Rates in preparation of estimates – Orders – Issued.

TRANSPORT, ROADS & BUILDINGS (R-1) DEPARTMENT

G.O.Ms.No.15 Dated:24-12-2014.

Read the following:-

2. From the Builder’s Association of India, Telangana State, representation, dt.2-9-2014.

ORDER:

In G.O.1st read above orders were issued for adoption of the Revised and updated Standard data in all Engineering / Public works Department and other organizations in four parts considering the nature of works, location of work and magnitude of work as indicated below:

Part I - Irrigation & Commandant Area Development
Part II - Roads & Bridges
Part III - Buildings
Part IV - Drinking Water Supply Scheme.

2. In the reference 2nd read above, the Builders Association of India, Telangana State has requested the Government to consider for adoption of new SSR with MoRTH Data in R & B Department.

3. In reference 3rd read above, a Committee of E-in-Cs / CEs was constituted for analysing the issue and the said committee has submitted its report with following observations:

   a) The MoRTH Specifications are evolved after elaborate discussions with Highway Engineers from all over the Country and in consonance with IRC guidelines. IRC is the apex technical body for the Highway Engineers.
   b) IRC codes, MoRTH specifications are required to be adopted for construction and maintenance of Roads and Bridges so as to be in alignment with Central Ministry’s guidelines
   c) Adoption of different Standard Data for State funded works and Central funded works in the same dept. would result in non uniform practice giving scope for litigations, audit objections, claims etc.

4. The Committee of Engineers-in-Chief/Chief Engineers has recommended to continue adoption of MoRTH Standard Data in toto for road and bridge works taken up on all R&B roads in Telangana State and to adopt latest Standard Schedule of Rates on par with other engineering departments in order to provide the realistic rates in the preparation of estimates.

5. Subsequently, in view of formation of new State of Telangana and also keeping in view the unique requirements of Panchayat Raj, R & B, Irrigation, Public Health Departments etc., including Government of India funding norms, it became imperative to review the entire issue of SSR rates and the matter was further referred to the Board of Chief Engineers.
6. In his letter 4th read above, the E-in-C (R&B), Adminn. & Q.C. has furnished the minutes of the meeting of Board of Chief Engineers, which met on 14-11-2014.

7. The Board of Chief Engineers has observed that adoption of MoRTH Data for all R & B works in Telangana State is necessary for the following reasons:

   a) The MoRTH specifications are evolved after elaborate discussions with Highway Engineers from all over the Country and in consonance with IRC guidelines. IRC is the apex technical body for the Highway Engineers.

   b) IRC codes, MoRTH specifications are required to be adopted for construction and maintenance for Roads and bridges so as to be in alignment with central ministries guidelines.

   c) Roads in the State are inter transferable due to up gradation requirement i.e. roads laid by PR department, I & CAD department are usually transferred to R & B dept. for future up-gradation, maintenance based on specific Government orders.

   d) All the Major States are implementing the MoRTH data.

   e) MoRTH is being updated every year.

   f) Most of the Central Government organizations are also implementing MoRTH data.

8. Finally, the Board of Chief Engineers have unanimously recommended the adoption of MoRTH data by all Engineering Departments of Telangana State in respect of Road and Bridge works, with prevailing SS Rates, in preparation of estimates. Accordingly, Part II of Common Standard Schedule of Rates, will be made applicable for the entire engineering departments in respect of Roads & Bridge works.

9. Government, after careful examination of the matter, hereby accept the recommendations of the Board of Chief Engineers for adoption of MoRTH data by all Engineering Departments of Telangana State in respect of Road and Bridge works, with prevailing SS Rates, in preparation of estimates and also to apply Part II of Common SS Rates, for the entire engineering departments in respect of Roads & Bridge works, in relaxation of the Government orders issued in G.O.Ms.No.49, I & CAD (PW Reforms) Dept., Dt.2-3-2009.

10. The Engineer-in-Chief (R&B), Administration & Quality Control is requested to take necessary further action in the matter.

11. These orders shall come into force from the date of issue.

12. This order issues with the concurrence of Finance (EBS X) Department, vide their U.O No.7420/190/A1/EBS X/2014, Dt.16-12-2014.
