Unit Officers

Letter No. RC/ENC/Legal Cell/2020

Dated: 19 - 03-2020

Sir,

Sub: I&CAD Department – High Court for the State of Telangana – Filing counter affidavits / attending remarks mentioned by the Government Pleaders in cases pertaining to encroachments in Water Bodies – Regd

-0-

It is learnt that cases pertaining to encroachments in Lakes and other water bodies will be dealt on priority in the High Court for the State of Telangana in the coming months. Hence it is advisable to immediately follow up in this regard and get clear of encroachments especially in the FTL & buffer zones of lakes so that cases can be avoided and counters can be filed expeditiously.

In view of the above, all the Unit officers are requested to direct all the Superintending Engineers and the Executive Engineers concerned to keep the records pertaining to FTL, Buffer zone, etc. of lakes/tanks, canals, channels, etc. readily available in a month. It is further requested to follow up with necessary actions to remove the encroachments in time so that counters can be filed promptly and cases can be avoided altogether.

This may be treated as Most Important.

Your's faithfully,
Sd/- B.Nagendra Rao,18-03-2020
