

O/o Engineer-in-Chief (AW),Jalasoudha Building,
Errum Manzil,Telangana State, HYDERABAD-500 082

Cir.letter No.ENC(AW)/SE(P&M)/EE/DEE-1/AEE-1/SOR 21-22/Vol.I, Dt: 19.11.2020.

Sub: Irrigation & CAD Department -Revision and updation of Telangana Standard data (SoR) in all Engineering/Public Works Departments and other organisations - Information called for pertaining to the new datas of Materials and Machinery from all HOD's of the Irrigation & CAD Department and other public works Departments to update the ensuing SoR 2021-2022-Regarding.

-::oOo::-

Attention of the Engineer-in-Chiefs of all the Engineering Departments in the Telangana State as well as all the HoDs of the Irrigation & CAD Department are invited to in the subject matter and all are requested to furnish the following information to update the ensuing SoR 2021-2022.

It is submitted that, due to the advent of robust construction activity in the newly formed Telangana State, the Machinery and its usage in construction industry has changed the structure and methodology of data formulation & rate structure. Hence, the present estimation of work item rates was not reflecting the ground reality. It is opined that, **“where the standard or schedule of rates are revised or where ever is necessary to do so, the primary guiding principle should be escalation in labour and material cost and not on trend of rates quoted by Contractors”**.

Hence, the Engineers-in-Chief of all Engineering Departments in Telangana State and also all the HoDs of I & CAD Department are requested to furnish the information pertaining to the “datas of materials and Machinery” if any which are in use and needed in the present ongoing projects, duly coordinating with the field staff.

Further, in addition to that, if any new item is required as per site requirements, in particular for the lift schemes, for inclusion in the basic items may also be furnished to this office with details and with supporting quotations, or observed data positively by Dt. 10.12.2020 to incorporate the relevant features in the ensuing Schedule of Rates 2021-22 to make it more comprehensive.

Sd/- **B. Nagendra Rao** Dt 19.11.2020
