Sir/Madam,

Sub: Observing "EARTH HOUR - SWITCH OFF LIGHTS ON MARCH 23,
FROM 08.30 to 09.30PM"

Secretary to Government
Irrigation & CAD Dept.

20 MAR 2024
718
Telangana Secretariat, Hyd.

I am to inform that the Earth Hour is observed globally on MARCH 23,
FROM 08.30 to 09.30PM. In our country, every year iconic buildings like India
Gate, Parliament etc., shut off power for Earth Hour.

On this occasion the EPTRI and WWF India together have released a Poster to send out a message to all the citizens for individual action and awareness among the public to provoke thought for the Planet, our only home and inspire environment friendly action.

Earth Hour is a global grassroots movement initiated in 2007 to raise awareness about the state of our environment and the significant impact of our daily power consumption. The movement encourages individuals, organizations, and communities to turn off all non-essential lights for one hour as a symbol of their commitment to the planet and the power of individual change. Earth Hour is also a display of unity of all people across the countries to acknowledge the triple crises faced by the planet. The world joins together to demonstrate a collective will to save the planet and all life forms from climate change, Bio-diversity loss and pollution.

All iconic structures viz., Dr B R Ambedkar Telangana Secretariat, Durgam Cheruvu, Dr B R Ambedkar Statue, Buddha Statue, Golconda Fort, Charminar, State Library, in Hyderabad and other monuments in the State are requested to switch off lights for 60 minutes on March 23rd, 2024 from 08.30-09.30 PM.

It is therefore, requested to issue necessary instructions to all the HoDs/Subordinate offices under your control to observe the "EARTH HOUR" on MARCH 23, FROM 08.30 to 09.30PM by Switching off power in Government Offices, Iconic Monuments, Institutions and individual homes as part of a global gesture of solidarity for Planet Earth, our only home.

Yours sincerely,
A. Vani Prasad
Pri. Secretary to Government
