To:

The Nodal Officers of Mission Kakatiya
Irrigation & CAD Department,
Govt. of Telangana.

Lr. No.- ENC (Admn)/ EE /ADA/AEE2/Mission Kakatiya

Dt:17.04.2015

Sir,

Sub:- Irrigation & CAD Dept. – Mission Kakatiya - "Shramadanam programme" on 19.04.15 -Reg

Ref:- The Chief Engineer, Minor Irrigation , Hyderabad, Memo No.DCE-I/OT2/ AEE1/MK/Gen/2015, dt.17.04.2015

As per the call given by the Joint Action Committee (JAC) for "Shramadanam programme" under "**Mission Kakatiya**" on **19.04.2014**, the Chief Engineer, Minor Irrigation, Hyderabad have instructed the Concerned Superintending Engineers vide reference cited, to consult the Concerned District JAC People and finalize the name of the tank in the District in which work was already commenced in Mission Kakatiya programme to take up Shramadanam programme.

Further, the Chief Engineer, Minor Irrigation has instructed the Superintending Engineers should chalk out the programme and instruct all the Engineers of I & CAD Dept to meet at district circle office head quarters and to proceed to the Grama panchayath office on 19.04.2015 by 9AM sharply or at their convenience as scheduled at Grama panchayath Office. The Superintending Engineers should consult the sarpanch in advance and finalize the route map of the procession on 19.04.2015.

The Superintending Engineers should announce on "Shramadanam programme" by Joint Action Committee (JAC) on 18.04.2015 by making a

TOM-TOM in the village and requested to give a wide publicity through news papers regarding "Shramadanam programme" by JAC. The political JAC may also involve in the programme. After the procession in the village, all the people / participants should go to tank bed and partipate in the "Shramadanam programme". The Superintending Engineers should invite all the media to the village and make the programme a grand successes. The Superintending Engineers should report selected list of name of tank, village, mandal today by 5PM for "Shramadanam programme".

Therefore, all the Nodal Officers of the districts, Mission Kakatiya are hereby requested to coordinate with the concerned Superintending Engineers of Irrigation Circles, Major Irrigation Project staff and all Employees of other departments in the district and make the programme grand successes.

Yours faithfully,

Sd/-J.Vijaya Prakash.,dt.17.04.2015
