Dated : 12-08-2016

Sir,

Sub: - I & CAD Dept., - Irrigation Projects – Major & Medium –Furnishing of Project information for publishing on website – Regarding.

Ref:- 1. T.O Lr No ENC(AW)/EE(A)/DEE2(eGov)/AEE3/Website /1 dated : 27-07-2016
2. T.O Lr No ENC(AW)/EE(A)/DEE2(eGov)/AEE3/Website /2 dated : 03-08-2016
3. T.O Lr No ENC(AW)/EE(A)/DEE2(eGov)/AEE3/Website /3 dated : 05-08-2016

The Chief Engineers, in the references cited above, were requested to depute the nodal officers (DCE/DSE) to Engineer-in-Chief (Admin)'s office for furnishing information in the prescribed proformae to update the project information on the website. But officers of the cadre DEEs/AEEs were only deputed to this office on behalf of DCE/DSE. However their services were utilised for project data entry purpose which is also not in full shape.

The observations made on the system developed so far are summarized below:

1. Most of the Officers from the Units furnished the consolidated data in soft copy to this office but failed to furnish the hard copy duly signed by the respective CEs/DCEs.
2. The data furnished by the officers was entered in the local system duly creating login credentials to the respective projects. The process of entering the data into the system was shown to the officers deputed to this office.
3. In order to host the project details in the Webportal/Public domain, data furnished to this office needs to be authenticated.

In the above circumstances, all the Unit officers are requested to furnish the consolidated project information ie., Basic Data and proformae, duly signed, so as to take further necessary action on the subject.

Yours' faithfully,

Sd/-J. VijayaPrakash 12-08-2016.
